

United States Department of State

Washington, D.C. 20520

NOV 13

Dear Mr. Speaker:

Pursuant to Section 36(c) and (d) of the Arms Export Control Act, I am transmitting herewith certification of a proposed license for the export of defense articles or defense services sold commercially under contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the export to Japan of technical data, defense services and defense articles for the manufacture of the LN-39J Inertial Navigation System for end-use by Japan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script, reading "Paul V. Kelly".

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 149-01

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
